### SOFT DRINKS

- Chinotto San Pellegrino - Italy** 10  
*Born in the '50s, Chinotto is made from full exquisite aroma of essential oils that plays joyfully with the scent of orange blossom flowers, whilst its full-bodied taste balances sweet and bitter with smooth hints of cinnamon and rhubarb between the mix of 20 different herbs.*
- Aranciata San Pellegrino - Italy** 10  
*San Pellegrino Aranciata Rossa is made from Italian oranges and blood oranges from Italy. Lightly carbonated, the refreshing full-mouth sensation starts with a sweet note and ends with the invigorating taste of a juicy orange.*

### NON-ALCOHOLIC APERITIFS

- Sanbitter - Italy** 10

- Crodino - Italy** 12  
*It's the non-alcoholic Italian aperitivo with a multilayered taste that will surprise you, it's a sip of Italian lifestyle since the '60s, a glimpse of a mediterranean late afternoon. Crodino is created with the infusion of spices, woods, roots and top quality herbs, resulting in a complex, interesting taste.*

### JUICES

- When you cold-press your juice, it retains more of the vitamins, enzymes, minerals, and antioxidants than regular juice. This makes it a healthier alternative to traditional juicing. Cold-pressed juice is never exposed to heat during its juicing process*
